Clinical notes:

We accept same day urgent wet AMD referrals for intravitreal injections within one hour of arrival at our clinic.

Send new referral pad

Please remember to bring to your appointment:

- Valid referral letter from your optometrist, GP or other specialist doctor
- Medicare, Health Fund, Pensioner, DVA cards
- Current distance glasses
- List of your medications and any allergies

Important: Eye drops may be used to **dilate** your pupils. This will **blur your vision** so you may not be able to drive yourself home. You may wish to wear sunglasses for comfort. Please allow at least **90 minutes** for your initial appointment.

Parking: We have limited parking available in the basement of our building. Access via driveway just before the bus stop. **Disabled access** via the lift in the basement lobby or via the entrance from 124 Sailors Bay Road. **Patient drop-off bay** is available and located in a lane way, entrance from 124 Sailors Bay Road.
